EXPRESSIONS OF APPRECIATION

Mr. REID. Madam President, there are two things I wish to mention before we close.

First, the Presiding Officer has worked for years on an energy efficiency bill. We are finally going to be able to get to that. This is the first Energy bill we have had in, I think, 5 years.

It is a bipartisan piece of legislation, but the impetus behind this legislation is this Presiding Officer. I commend

her, applaud her, and recognize how fortunate the people of New Hampshire are to have her as a Senator.

I also wish to mention the pages. This is their last day here. They have done a wonderful job. They do so much for us. There isn't a day goes by that they don't do something for me. I am sure the Senate feels the same way. I hope it has been a good experience for them.

I have had three grandchildren who have been pages, and it a great experience for them. I am confident the others feel the same way.
